Please read this legal agreement between you and Multiactive Software Inc. ("Multiactive"). The enclosed Multiactive software programs (the "SOFTWARE") are licensed to you by Multiactive for use only in accordance with this license agreement. If you do not agree to its terms, do not install the SOFTWARE and return it for a credit.

By selecting the "I accept the agreement" option at the bottom of the window that contains this license agreement, you are indicating that you have read and agree to its terms. If you are not willing to abide by the terms of this license agreement, select the "I don't accept the agreement" option and exit the application by clicking the Cancel button.

Grant of License

Multiactive grants to you the limited right to use one copy of the enclosed SOFTWARE, including all data files incorporated in the SOFTWARE, on a single computer processing unit or on a single terminal or computer connected to a network server, for the purpose of creating and maintaining Web Sites for publication on the Internet, (the "Web Sites").

You are responsible for obtaining the appropriate hardware, software and Internet access required to use the SOFTWARE, as described in the SOFTWARE User's Guide.

Order/Inquiry Processing and Indexing Function

The SOFTWARE can additionally provide you with a means to create Web Sites whereby shoppers on the Internet, ("Shoppers"), can find and contact the person who owns the Web Sites that you can create using the SOFTWARE, the ("Merchant"). The SOFTWARE can additionally allow orders and inquiries from such Shoppers relating to the Merchants products or services advertised on the Web Site to be processed, by Multiactive EC Services Inc., ("Multiactive EC"), provided that you distribute a licensed copy of the additional Order Processing software product called Maximizer 6.0 by Multiactive, to the Merchant, and/or provided that you have not modified the order/inquiry processing programming scripts in the SOFTWARE. Multiactive EC's services consist of accepting orders and inquiries from each Shopper, forwarding them to the Merchant in the form of an encrypted e-mail attachment by electronic mail and sending confirmation back to the Shopper, (the "Order Processing Function"). Multiactive and Multiactive EC are not responsible in any way for the fulfilling of Shoppers' orders or otherwise responding to Shoppers' inquiries. Multiactive EC reserves the right to charge the Merchant for the Order Processing Function. Multiactive and Multiactive EC do not guarantee the reliability, accuracy or timeliness of the Order Processing Function, nor the level of security provided by the encryption method used. Multiactive EC may discontinue the Order Processing Function at any time, upon providing you with at least 10 days notice and instructions or a software patch so that your Merchants can receive their orders and inquiries directly from Shoppers.

Any business relationship or transaction between Shoppers and the Merchant is subject to the terms and conditions negotiated between the Shopper and the Merchant, and Multiactive and Multiactive EC shall not have any liability or responsibility with respect to such business relationship or transaction.

Multiactive EC's services also includes the indexing and storing of information about the generated Web Site on a Multiactive EC Web site known as ecPlace. Multiactive EC reserves the right to terminate your indexed listing on, or remove your content from, ecPlace if a Web site or its content are considered unfit for any reason by Multiactive EC or are the subject of a dispute with third parties.

All rights title and interest in the SOFTWARE are owned by and shall remain in Multiactive. You will not do anything to contest or prejudice Multiactive's title to the intellectual property rights in the SOFTWARE. Multiactive authorizes you to make only one copy of the SOFTWARE for processing

purposes, and one copy for backup and archiving, provided that you reproduce all copyright notices and proprietary legends. You do not have the right to give a copy of the SOFTWARE to another person, electronically or by any other means.

Other Restrictions

You may not rent, lease, reverse engineer, decompile, disassemble, translate, merge, or create derivative works from the SOFTWARE.

Accountability and Liability

You are responsible for everything contained on the Web Site including without limitation any information, advertisements and any other material you or a third party posts to it (the " Postings"), and all products and services offered through the Web Site. Multiactive will not be liable for the contents of the Postings or the products and services found within.

You agree to indemnify and hold harmless Multiactive, Multiactive EC, and their respective employees, directors, and representatives from and against any loss, liability, claim, damage and expenses (including attorneys' fees) arising from or in connection with the Postings, the products and services, or any use of the SOFTWARE or Order Processing Function made by the Web Sites, the Shoppers, the Merchants, or other third parties.
